Add a SatCollect personal calling number for the office, friends and family: \$12.00 per mo plus calls.

SatCollect is an affordable way to call any Iridium phone in the world via a local number. Calls to this local number are automatically routed to your Iridium phone wherever it is in the world. Calls to your Iridium phone are then billed on a fixed per minute basis (call for the per minute rate for your Iridium system) rather than the extreme rates some long distance carriers will charge you.

Write in the area code you want to use and your city preference within this area code:

Add an OTrak personal tracking account. As low as \$9.95 per month

With OTrak, you, your personnel, asset locations and movements - including position, speed, altitude and heading - are easily tracked in real-time anywhere in the world via GPS updates from your Iridium 9575 phone(s). Easy to setup, easy to monitor.

OCENS, Inc. Iridium Satellite Services Terms & Agreements

Service is furnished to Customer or Customers authorized user. A telephone number may not appear in more than one terminal. Customer has no property right in such number. OCENS reserves the right to assign, designate, or change such number, when, in its sole discretion, such action is reasonably necessary in the conduct of business;

Customer will pay a \$50 one-time charge per account activation (\$75 for Northern Lights activation). 3. Data Transmission Use and Dropped Calls: Due to the technical nature of data setups and the inherent sophistication of data transmission through a variety of satellites, systems and networks, OCENS makes no representation as to the success of data calls through the system. Customer agrees that all data call attempts regardless of ultimate successful transmission and termination will be paid for and no credits will be given in the event of disputes of this nature. Along with potential incorrect use (i.e., next to a building/obstruction), the Iridium system (a low earth orbiting satellite constellation) has inherent flaws and anomalies that can create dropped calls of either voice or data nature. Dropped calls will not be credited. OCENS can provide data setup technical support beyond the normal provided setup instructions at an additional charge. Please consult with OCENS sales representative for further details;

Customer shall pay such taxes directly or reimburse OCENS for any such taxes;
8. Deposits: Mobile satellite services are granted subject to credit approval by OCENS. OCENS requires the establishment of credit or the ability to pay invoices according to the established terms. Deposits may be required for non-US citizens or customers who do not have established credit. Customers will be advised prior to service activation if a deposit is required. Deposits will be refunded at service or contract termination;
9. Foreign Credit Cards: Foreign credit cards will be accepted only after a complete verification has been done with the issuing bank. Verification of foreign credit cards may delay authorization by 72 hours. All deposits for terminals will still apply. OCENS reserves the right to decline any credit card application;
10. Non-Payment/Breach: A late charge of 1-1/2% per month will be applied to each of customer's service bills not paid by due date. This late charge is applicable to the unpaid balance as of the due date. Customer shall pay OCENS all costs including, without limitation, reasonable attorney fees, the fees of any collection agency, and any other costs incurred by OCENS in the exercising any of it's rights under the agreement. Should customers service be suspended by non-payment OCENS will charge a decommissioning fee of \$50 per mobile terminal for re-activation of the suspended terminal;

12. Limitation of Liability: The satellite service provided by OCENS may be temporarily interrupted, delayed or otherwise limited and is not available everywhere in the world. OCENS makes no representation that it can provide uninterrupted service. Further, OCENS shall have no liabilities or credit due for interrupted service unless caused by the gross negligence of OCENS.
